TRAVLUX GROUP CRUISE 2024

After the success of our first group trip in 2022, we're excited to announce another opportunity to set sail with us in January 2024 on a brand-new ship with exclusive prices!

Join us on January 26th 2024 onboard MSC Euribia as we explore popular ports across Northern Europe on this 7 night voyage from just £499 p/p.

This brand-new ship from MSC Cruises - launching in Winter 2023 - is furthering the deployment of state-of-the-art sustainable technologies, continuing to protect & preserve the precious marine ecosystem.

This 7 night itinerary will take you to some of Europe's most popular cities including late departures from Hamburg, Amsterdam (Rotterdam) & Paris (Le Havre). A cruise is the best way to explore these historical & cultural Capitals all in one trip. With 10 dining venues, 21 bars, the longest and most spectacular LED Dome at Sea, 5 pools, a stunning spa and countless entertainment venues, 7 nights onboard might not be enough time to enjoy it all!
